KEYNOTE PRESENTER

Dr. Nido Qubein
President, High Point University

“From Success To Significance”

A powerful and inspiring presentation on focus, balance, and change ¾ in business and in life. Nido Qubein cites major differences between creativity (how can we do this differently) and innovation (how can we do this better). He distinguishes among tasks, goals, and purpose humorously yet persuasively with thoughtful impact. Your group learns that the 21st Century rewards *extraordinary* people whose competence and commitment directly affect their beliefs, behaviors, and results.
