ATMC Board Names Keith Holden General Manager/CEO

Shallotte, NC --- The Board of Directors for Atlantic Telephone Membership Corporation (ATMC) announced today that Keith Holden has been named General Manager and Chief Executive Officer of the cooperative, following the retirement of M. O’Neal Miller, Jr., who held the position since March of 2016.

A Brunswick County native, Holden has been employed at ATMC since 1998 serving most recently as Vice President of Information Systems. Holden obtained his bachelor’s degree in computer engineering from North Carolina State University and holds a master’s degree in business administration from the University of North Carolina at Wilmington.

“The Board and I are pleased to promote Mr. Holden to General Manager and CEO,” said Douglas Hawes, President of the ATMC Board of Directors. "He has come up through our ranks and his record of success at ATMC says a great deal about his leadership ability. His experience and comprehensive knowledge of the communications industry make him an excellent choice to lead the cooperative."

“I’ve always been proud of the deep roots ATMC has in Brunswick County,” commented Holden. “And I am excited to help lead our talented workforce as we continue to grow the cooperative and serve the needs of our members.”

About ATMC

ATMC is a member-owned cooperative providing a multitude of communications services, including telephone, business systems, wireless, Internet/Broadband, cable television service, and ATMC Security, in Brunswick and Columbus Counties in southeastern North Carolina. ATMC is the largest communications cooperative in North Carolina and one of the largest in the country. For more information on ATMC products and services, visit atmc.com.
